## PERSONAL PROFILE:

I am a passionate Software Developer currently working for two remote companies in the position of a Fullstack Developer. I have developed relevant skills in analytics and development through the years of studying and working. I am self-motivated and open-minded to garnering new knowledge, a technology enthusiast, result oriented and a team player. I am very passionate about secure software development and information / cyber security.

In addition I am currently a student awaiting graduation towards completing a Diploma in Information Technology at Mount Kenya University.

## WORK EXPERIENCE:
